PRINCIPAL'S NOTE

FROM PRINCIPAL MARVIS MEEKS

Welcome to March! Thank you parents for helping us reach 94% re-enrollment. We are already planning for next year. Remember your child will not be guaranteed a seat if he/she has not re-enrolled. If you have any questions regarding the process, feel free to call me.

We were thrilled to roll out our Amazing Shake March 1. We had many professionals in the building demonstrate effective communication skills and workplace scenarios.

We recognized those students who grew the most in OST practice test. We are laser-focused on deficiencies as we prepare students to be successful on the tests in March and April. Some third through eighth grades are sitting for Reading (3rd -8th), Math (3rd -8th) and Science (5th and 8th). We will begin testing March 25th.

March 1 starts Women's Month. We will be spotlighting all of the great women who have made an impact in our community and the world.

Mobile Dental was February 27 some of the pictures are included in this newsletter.

Lastly, you will notice we have a Holiday Tree near the cafe. If you have an ornament you would like to share, feel free. This month's tree is rocking Isibindi green.

Educationally yours,
Marvis Meeks, M.Ed.
