Student Advisory - Tie Dye

Paint and Sip

## PRINCIPAL'S NOTE

FROM PRINCIPAL MARVIS MEEKS

It is December already! Where did the year go? We are happy to announce that we have a new marketing director, Mr. Jordan Taylor. He is doing a great job getting the word out about all of the wonderful things going on at MVA. Our school is growing with 118 students.

We are looking forward to a great turnout at our first "Sip and Paint", Thursday, November 30. Our partners in education, Samaritan Health, will be sponsoring this event. Grades 5-8 will be attending Education Day at Wright State University's Nutter Center, Tuesday, December 12. Look out for the permission slip. The program will be from 9:30am to 1:00 pm. Lunch will be provided, however additional snacks are available in the concession area for purchase. Lastly, we will be hosting our Winter Program, Wednesday, December 13 starting at 4:00pm.

Service was a big part of this month. MVA donated 131 food cans and non-perishables to the Moraine Food Bank. Altruismo, The House of the Givers, won the contest and has earned 50 points for their efforts! Two eighth-graders partnered with Riverscape Career Technical High School to sort clothing and clean up at the YWCA and East End Community Center this month.
