Principal's Note

Ms. Brinegar's Kindergarten Class

October has been fun but now we prepare for November.

Congratulations Families! We have Quarter 1 in the rear view mirror and it is full steam ahead into the holiday season. As the weather cools down, remember to set your clocks back an hour, November 5th.

Our 3rd Habit from Steven Covey's *7 Habits of Highly Effective Teens* is "Put First Things First" --- The main focus for November is planning and preparing and getting rid of unnecessary activities that don't serve us. As the month goes by, please stress planning and preparation with your child.

We are on Thanksgiving Break, November 20th-24th of this year. We are certainly thankful for our staff and students. We are thankful for you because without our partnership, we can not fully MAXIMIZE our time with students.

Lastly, a big thank you to all of the parents/guardians/community who came out to support our activities last month!

Educationally yours,
Marvis Meeks, M.Ed.

Just a few gentle reminders: Please reiterate the importance of turning off cellphones. If your child must bring a cellphone to school, they need to put in locker or turned in to the office and turned off. If student's cellphones are out during school, they will be confiscated and I will notify the student's parent. Any repeated incidents will result in loss of privilege and/or suspension.

We are asking parents to enter through the front door only. The back door is reserved for students in the morning and afternoon. We want to continue to keep the school safe at all times. We wish you the best this Holiday Season!!

Educationally yours,
Marvis Meeks
