Issue No. 11 | March 16, 2022

## Principal's Corner:

– Miami Valley Academies has an agreement with Sinclair Community College to provide free college-level courses to qualifying 6th through 8th graders. If you would like to learn more about this opportunity, please attend a brief information session at MVA, on March 18, 2022, at 2:30 PM.

If you have additional questions, call Ms. Meeks at (937) 294-4522.

– Thank you to our volunteers who came to our school to read to the students in celebration of Read Across America!

– Parents, please sign in your tardy student. It helps the office properly track attendance and those who are tardy.

– Reminder to 8th-grade parents: please send in a baby picture to copy for 8th-grade Recognition.

– Testing:

We are preparing for grades 3–8 Ohio State Test, Tuesday, March 29–April 22. Third through eighth-grade students will be sitting for reading, math, and 5th/8th-grade science.

Please make sure your scholar gets the proper rest he/she needs to be successful. Our teachers have been preparing students for the test and we know they will be victorious.
